RE: Saturday Seasonal Schedule

As Winter season approaches and COVID-19 cases continue to rise, Cayce Mill will be implementing a seasonal schedule. This seasonal schedule will close all Cayce Mill locations on Saturdays through the Winter Season. November 21<sup>st</sup> was the last Saturday in 2020 that our locations will be open. Location based Saturday services will resume in 2021 when COVID-19 cases have reduced to a safer level.

During this time, all Cayce Mill locations will continue to have operational hours of 7am-4:30pm M-F.

As always, after hour appointments are welcomed for the Design Center.

Sincerely,

BJ Cayce  
CEO
